Let's look at five fundamental theories of mass communication: 1) the magic bullet theory, 2) two-step flow theory, 3) multi-step flow theory, 4) uses and gratification theory, and 5) cultivation theory. Magic Bullet Theory. The magic bullet theory (also called the hypodermic needle theory) suggests that mass communication is like a gun firing bullets of information at a passive audience.

Grounding Theories of Mass Communication | Introduction to ...

A concept (see Chapter 3) is a core term in a theory that summarizes an important aspect of the problem under study and can be used in collecting and interpreting evidence. It requires careful definition. A model is a selective representation in verbal or diagrammatic form of some aspect of the dynamic process of mass communication.
