Coming from a self-critical Christian background Karen Armstrong presents a history of human
spirituality and religion, from ancient times to 9/11. She does focus on the monotheistic religions, and
does not in the end, make a case for God. But the journey was fascinating and I could not put the book
down.

The Case for God is a 2009 book by Karen Armstrong. It is an answer to the recent claims that God does not exist from Richard Dawkins, Christopher Hitchens, Sam Harris and Daniel Dennett. It covers the history of religion, from the paleolithic age to the present day, with a focus on the three Abrahamic religions: Judaism, Christianity and Islam, and on apophatic theology in various religions.
