NCE Practice Questions are the simplest way to prepare for the NCE test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCE Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCE Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

A powerful resource and tool for preparing for two of the most important examinations in counselor preparation and credentialing - the National Counselor Examination for Licensure and Certification (NCE) and the Counselor Preparation Comprehensive Examination (CPCE). Mastering the National Counselor Examination and the Counselor Preparation Comprehensive Examination is specifically designed to help students preparing for the NCE or CPCE and professional counselors preparing to take the NCE as a licensure exam. This practical guide provides numerous sample questions, includes four full-length practice exams - two for the NCE and two for the CPCE - and presents pertinent information about the NCE and CPCE, including discussion of its rationale, structure, format, and scoring procedures. Readers have ample opportunities to test their knowledge and practice answering the types of questions that they will encounter on the exams. Fully updated to align with 2016 CACREP standards and current NCE/CPCE content, the 3rd Edition includes new test preparation items, additional case studies, and a revised glossary of key terms. An updated Chapter 1 includes test-taking strategies, and a revised Chapter 9 focuses on what future counselors need to know about getting a job and marketing themselves as professional counselors.
