Front Office staff conducts these operations in the absence of the guests or when the guest's involvement is not required. These operations involve activities such as Determining the type of guest (fresh/repeat) by checking the database. Ensuring preferences of the guest to give a personal touch to the service.

Front Office Management - Introduction - Tutorialspoint

By following these four front office management tips, you'll be an operations whiz in no time. 1. Train front office employees for success. While you may think that some front office operations are a no-brainer, it's worth the effort to provide training for your employees on every aspect of the job, especially the parts that are unique to your company or industry-specific. Each member of the front office team should be cross-trained to an extent, but your goal should be to employ a staff ...

Evaluating the results of front office operations is an important management function. Without thoroughly evaluating the results of operations, managers will not know whether the front office is attaining planned goals. Successful front office managers evaluate the results of department activities on a daily, monthly, quarterly and yearly basis. Some important tools which front office managers can use for evaluating front office operations and to evaluate the success of front office ...

Front Office Operations » BNG Hotel Management Kolkata

This is a good book for Hotel operations and management, but I liked, "Check-in Check-out" better. This book is a soft cover and does not have any color photos. "Front Office" has some good content, but the book could be improved with added color.

Front Office Operations & Management: Ismail, Ahmed ...

Simply put, front office staff are the people who directly generate revenue for the company. The front office largely consists of client-facing roles. So in a finance company or investment bank, front office departments might consist of sales and trading, investment banking, wealth management, and private equity.
