TRAVEL CERTIFICATE. As international travel resumes, many countries and airlines require individuals to provide a travel certificate which shows evidence of a negative COVID-19 PCR (polymerase chain reaction) test prior to travel, usually taken no more than 72-96 hours before your flight. Testing all passengers prior to flying helps to reduce COVID-19 transmission during flight. For many ...

By definition then, a travel nurse is a registered nurse—typically with one or more years of bedside experience—that will move from one travel nursing contract to another. For example, say a nurse ' s legal residence is Tucson, Arizona, but they spend 13 weeks working on an ICU unit in Los Angeles, California, and then another six weeks working in the ICU at a hospital in Denver, Colorado.
