Instant The Story Of Polaroid
"Instant: The Story of Polaroid clocks in at a slim 192 pages, but it manages to be three books in one: a thoroughly charming, fact-filled stroll through the life and times of Edwin Land and the incredible company he built; a brief, poignant recap of Polaroid's plunge from the heights into not one but two wrenching bankruptcies; and a small but lovely collection of Polaroid images taken by well-known artists.

Today, interest in Polaroid instant photography remains, in spite of — or perhaps because of — digital photography. The value of the Polaroid Collection was irrefutable. It was a visual chronicle...

The Polaroid story: inside the company that gave the world ...

INSTANT: THE STORY OF POLAROID is a book about a very unusual company. In the 1960s and 1970s, Polaroid was what Apple is today: the coolest technology company on earth, the one with irresistible products, the one whose stock kept climbing way past the point of logic. In its heyday, Polaroid was an absolute innovation machine—a scientific think tank that periodically kicked out a fantastically profitable, covetable product.
