When a formidable killer she brought down years earlier escapes, New York homicide cop Eve Dallas begins a race against time to prevent him from resuming his attacks on child victims and exacting revenge on Eve herself. By the best-selling author of Treachery in Death. Reprint. 750,000 first printing.

#1 New York Times bestselling author J. D. Robb presents an intense and terrifying case for New York homicide cop Eve Dallas: one that will take her all the way to the city that named her—and plunge her into the nightmares of her childhood... When a monster named Isaac McQueen—taken down by Eve back in her uniform days—escapes from Rikers, he has two things in mind. One is to take up where he left off, abducting young victims and leaving them scarred in both mind and body. The other is to get revenge on the woman who stopped him all those years ago.

New York homicide cop Eve Dallas is plunged into a terrifying nightmare, where her past and the present are about to collide. Eve Dallas was just a rookie cop when her instincts led her to the apartment of Isaac McQueen, a murderer and paedophile, who was keeping young girls in cages. Now a homicide Lieutenant, Eve is one of the most distinguished officers in the city - and then she learns that McQueen has escaped from jail. Bent on revenge against Eve and with a need to punish more 'bad girls' McQueen heads to Dallas, Texas - the place where Eve was found as a child, the place where she killed her own abusive monster when she was only eight-years-old. With Eve and her husband Roarke in pursuit of McQueen, everything is on the line and secrets from the past are about to be explosively revealed.

At the star-studded party celebrating the premiere of a movie based on one of her cases, Lieutenant Eve Dallas discovers the actress who played Peabody drowned in the lap pool and investigates. Reprint.

Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathhtakingly paced, DALLAS 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-untill now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. DALLAS 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation.

#1 NEW YORK TIMES BESTSELLER · Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of The Subtle Art of Not Giving a F*ck I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

In the new novel in the #1 New York Times bestselling series, Lt. Eve Dallas is about to walk into the shadows of her husband's dangerous past... While Eve examines a fresh body in Washington Square Park, her husband, Roarke, spots a man among the onlookers he's known since his younger days on the streets of Dublin. A man who claims to be his half brother. A man who kills for a living—and who burns with hatred for him. Eve is quick to suspect that the victim's spouse—resentful over his wife's affair and poised to inherit her fortune—would have happily paid an assassin to do his dirty work. Roarke is just as quick to warn her that if Lorcan Cobbe is the hitman, she needs to be careful. Law enforcement agencies worldwide have pursued this cold-hearted killer for years, to no avail. And his lazy smirk when he looked Roarke's way indicates that he will target anyone who matters to Roarke...and is confident he'll get away with it. Eve is desperate to protect Roarke. Roarke is desperate to protect Eve. And together, they're determined to find Cobbe before he finds them—even if it takes them across the Atlantic, far outside Eve's usual jurisdiction...

In this thriller in the #1 New York Times bestselling phenomenon, Eve Dallas tracks down those who break the law—including the ones sworn to uphold it. Detective Eve Dallas and her partner, Peabody, are following up on a senseless crime—an elderly grocery owner killed by three stoned punks for nothing more than kicks and snacks. This is Peabody's first case as primary detective—good thing she learned from the master. But soon Peabody stumbles upon a trickier situation. After a hard workout, she's all alone in the locker room when the gym door clatters open, and—while hiding inside a shower stall trying not to make a sound—she overhears two fellow officers arguing. It doesn't take long to realize they're both crooked—guilty not just of corruption but of murder. Now Peabody, Eve, and Eve's husband, Roarke, are trying to get the hard evidence they need to bring down the dirty cops—knowing all the while that the two are willing to kill to keep their secret.
