~~Past Due Debt Collection 2~~

A collection agency will now include a person who purchases debts that are in arrears (past due) and collects them. Whereas before, a purchaser of a debt was essentially placed in the shoes of the original creditor, the new definition will require a person who purchases debts that are in arrears and wants to collect them to either become or to use a registered collection agency to do so.

Any past due account, debt collections included, can have a negative effect on your credit score for as long as it's listed on your credit report. Potential creditors and lenders question your creditworthiness when they see collection accounts on your credit report, especially recent collections.

~~Should You Pay an Old Debt Collection?~~

PDCS, like all debt collectors, often send standard collection letters to demand clients to get in touch through phone for the sole purpose of paying back their debt. They will then include a statement to inform the client of their intention to visit their home. PDCS will also send another letter, this time offering a settlement out of court.

~~Past Due Credit Solutions - Debt Help | Talk About Debt~~

What are your Legal Options for Collecting Past Due Debts. Handling past due invoices is one of the most unpleasant parts of running a small business. Business owners want immediate payment, but for a variety of reasons, you may have to invoice a customer, creating an account receivable. Depending on your terms with your customers, and industry custom, you might offer trade credit such as net 30, where full payment is due 30 days after purchase.
