character, and more. And then comes a card with questions on grammar, phonics, word choice, and other ELA topics. Brain Quest Reading Grade 2 is an excellent way for kids to hone their skills and become accomplished, enthusiastic readers - all in the form of a fun game to play with a friend, a parent, or by yourself. Vetted by a panel of America's highest award-winning teachers, and embraced by kids and parents because it flat-out works, Brain Quest opens a world of information and education with its fast-paced question-and-answer format, bright full-color illustrations, and lively attitude.

Brain Quest is beloved by kids, trusted by parents, used and recommended by teachers. It's the curriculum-based, fast-paced, question-and-answer game that challenges kids on the stuff they need to know, when they need to know it. It's the brand that says "It's fun to be smart!" And it delivers. For the fourth edition every deck is thoroughly revised and includes 20 percent new material. The content aligns with national and state standards and is overseen by the Brain Quest Advisory Board, a panel of award-winning educators, each a recent state teacher-of-the-year award winner or a recipient of the prestigious Milken Educator Award. The covers and cards have a refreshed design, giving Brain Quest a cooler, updated look.

The Question is the Answer is a teacher's guide to helping young readers generate text-based questions. The purpose of this book is to help teachers and parents value and promote student-generated questions to facilitate motivation, engagement, and cognitive development.

The Visual Guide to Second Grade uses bold infographics to present fascinating facts about sports, rain forests, volcanoes, cloud formation, and more. Infographics allow students to complete creative challenges while building math, writing, and data-collection skills. When information is presented visually, children are more likely to understand and remember it. The Visual Guide to Second Grade uses infographics to grab young learners' attention with an exciting visual learning technique. Infographics simplify complex information by highlighting key ideas and connections with colorful charts, pictures, and graphs. The perfect at-home resource, this cross-curricular workbook provides comprehension questions, writing prompts, and creative challenges to keep your child engaged in the learning process. Grade-specific and high-interest, the Visual Guide series offers a unique collection of infographics that teach language arts, math, social studies, and science. Your child will grow as a critical thinker; make strides toward learning independently; and improve skills with text, numbers, and data. A way of learning that appeals to today's youth, the Visual Guide series focuses on building the 21st century skills that lead to school success.

Capture the adventure students feel as they advance to a new grade level, encounter new concepts, and master new skills. These motivating activities cover language arts, math, science, and social studies. A bonus section at the end of each book provides a jump start to the next grade level, with a selection of language arts and math activities.

Your Total Solution for Second Grade will delight young children with activities that teach consonant blends, synonyms, drawing conclusions, adjectives, addition and subtraction with regrouping, place value to hundreds, fractions, and more. Your Total Solution provides lots of fun-to-do practice in math, reading, and language skills for children in prekindergarten to second grade. Colorful pages teach numbers, counting, sorting, sequencing, shapes, patterns, measurement, letters and sounds, basic concepts, early writing skills, vocabulary, and more. Loaded with short, engaging activities, these handy workbooks are a parent's total solution for supporting learning at home during the important early years.

Leveled Texts for Second Grade provides teachers with leveled texts covering the Language Arts, Mathematics, Science, and Social Studies subject areas. This 60-book kit comes with five texts for each subject area. With each text providing three levels, there is an appropriate book for low-, on-, above-level, and English-language learners. Each text also comes with comprehension questions leveled for each reader type. This kit saves teacher's valuable prep time by providing materials already differentiated for their classroom. Students will be enthralled with the vivid images, illustrations, and diagrams geared towards increasing content understanding and comprehension. This extensive series is aligned with Common Core State Standards, McREL, TESOL/WIDA standards.
