Peter Robinson is a superb writer, and Inspector Banks is an intriguing, thoughtful, and engaging character. But this recent entry in the series, Sleeping in the Ground, dearly needs a ruthless editor. Perhaps because the novel is front-loaded with such a powerful scene, the rest of the book seems limp, uneventful, even boring.

Praise for Sleeping in the Ground: DCI Banks 24 Peter Robinson has for too long, and unfairly, been in the shadow of Ian Rankin; perhaps PIECE OF MY HEART, the latest in the Chief Inspector Banks series, will give him the status he deserves, near, perhaps even at the top of, the British crime writers' league.

MICHAEL CONNELLY calls Peter Robinson "an author with amazing empathy, a snare-trap ear for dialogue, and a clear eye for the telling detail." Multiple award-winning, New York Times and #1 internationally bestselling author Peter Robinson returns with Children of the Revolution, a superb tale of mystery and murder that takes acclaimed British Detective Chief Inspector Alan Banks back to the early 1970s—a turbulent time of politics, change, and radical student activism. The body of a disgraced college lecturer is found on an abandoned railway line. In the four years since his dismissal for sexual misconduct, he'd been living like a hermit. So where did he get the 5,000 pounds found in his pocket? Leading the investigation, Detective Chief Inspector Alan Banks begins to suspect that the victim's past may be connected to his death. Forty years ago the dead man attended a university that was a hotbed of militant protest and divisive, bitter politics. And as the seasoned detective well knows, some grudges are never forgotten—or forgiven. Just as he's about to break the case open, his superior warns him to back off. Yet Banks isn't about to stop, even if it means risking his career. He's certain there's more to the mystery than meets the eye . . . and more skeletons to uncover before the case can finally be closed.

The eagerly awaited new novel from Canada's top crime-fiction writer. It's the May half-term school holiday, and the first warm day of the year has drawn a few children to the River Swain for a swim. When one boy chases another off the path that runs alongside Hindswell Woods, a glimpse of orange through the trees tempts them into the shadows. Moments later, their high spirits vanish in an instant. For there, to their shock (and ghoulish fascination), they find a man in a brightly coloured shirt hanging from a branch by a rope around his neck. Alan Banks is in London with his new girlfriend when news of the kids' ghastly discovery reaches the police in Eastvale, so the case falls to Annie Cabbot. And she's mystified. Why would a successful set and costume designer, with a well-reviewed production of Othello currently playing, be in such despair that he would take his own life? In All the Colours of Darkness, Peter Robinson has written an exceptionally gripping and intricately plotted story that delivers hard truths about jealousy and betrayal — and of the insidious, corrosive power of secrets. Once more, Robinson proves that he is one of the finest crime-fiction writers in the world.

"Robinson is an author with amazing empathy, a snare-trap ear for dialogue, and a clear eye for the telling detail."—Michael Connelly One of the world's greatest suspense writers returns with the 27th novel featuring the legendary detective Alan Banks in the mystery series Stephen King calls "the best now on the market." When property developer Connor Clive Blaydon is found dead, Detective Chief Inspector Alan Banks and his Yorkshire team dive into the investigation. As luck would have it, someone had installed a cache of spy-cams all around his luxurious home. The team hope that they'll find answers—and the culprit—among the video recordings. Instead of discovering Connor's murderer, however, the grainy and blurred footage reveals another crime: a brutal rape. If they can discover the woman's identity, it could lead to more than justice for the victim; it could change everything the police think they know about Connor and why anyone would want him dead. Meanwhile, tensions are rising between Banks and his friend, Zelda. A super recognizer—able to recognize faces significantly better than most people—Zelda is determined to bring the men who abused her to justice. But stirring up the murky waters of the past will put her in far greater danger than ever before, and Banks worries that he won't be able to stop her from plunging too deep before it's too late.

His fans include Stephen King, Michael Connelly, Tess Gerritsen, Ian Rankin, and Louise Penney. He has won acclaim and numerous international prizes and awards, including the Edgar. Now celebrated New York Times bestselling author Peter Robinson, one of the greatest suspense writers of our time, demonstrates his mastery once again in this powerful mystery in which legendary detective superintendent Alan Banks is confronted with a pair of perplexing crimes. Two suspicious deaths challenge DS Alan Banks and his crack investigative team. The body of an attractive young woman dressed in evening attire is found in an abandoned car on a country road. The death looks like suicide, but there are too many open questions for Banks and his team to rule out foul play. The car didn't belong to her—it was badly damaged in an accident involving the vehicle's owner a week earlier in the same spot. So how did the dead girl get inside the car? Did someone place her there, and if so, why? Where—and when—did she die? While Banks attends the postmortem, DI Annie Cabot is at the scene of another death. A well-dressed man in his sixties has been found in a gully high up on the wild moorland. His injuries were fatal and consistent with those sustained in a fall. Was it an accident—did the man get too close to the edge and slip? Was he pushed? The man was wearing an expensive suit. What was he doing in a rocky spot popular with hikers? There are no signs of a vehicle near where he fell. How did he get there? Banks's and Cabot's cases share a few curious similarities. Both of the dead were found in the same area of the moorlands. Both were elegantly dressed. The timing of their deaths coincided. And neither carried identification. As the police uncover who these people were and begin to look into their lives, inconsistencies multiply and the mysteries surrounding the two cases proliferate. Then a source close to Annie reveals a piece of information that rocks the Eastvale detectives working both investigations. An old enemy has returned in a new guise—a nefarious foe who will stop at nothing, not even murder, to get what he wants. With the stakes raised, the hunt is on. But will Banks and his crack squad be able to find the evidence to stop him in time?

Peter Robinson, the acclaimed author of the bestselling series Stephen King calls "the best now on the market," returns with a gripping, emotionally charged mystery in which the revered detective Alan Banks must find the truth about a murder with possible racial overtones—and save a friend from ruin. In Eastvale, a young Middle Eastern boy is found dead, his body stuffed into a wheellie bin on the East Side Estate. Detective Superintendent Alan Banks and his team know they must tread carefully to solve this sensitive case, but tensions rise when they learn that the victim was stabbed somewhere else and dumped. Who is the boy, and where did he come from? Then, in a decayed area of Eastvale scheduled for redevelopment, a heroin addict is found dead. Was this just another tragic overdose, or something darker? To prevent tensions from reaching a boiling point, Banks must find answers quickly. Yet just when he needs to be at his sharpest, the seasoned detective finds himself distracted by a close friend's increasingly precarious situation. Banks needs a break—and gets one when he finds a connection to a real estate developer who could be the key to finding the truth. With so many loose ends dangling, there is one thing Banks is sure of—solving the case will come at a terrible cost.

From New York Times bestselling author Peter Robinson comes this mesmerizing story-within-a-story—that will thrill his fans and bring him many new readers. A distraught woman arrives at the Eastvale police station desperate to speak to Detective Chief Inspector Alan Banks. But Banks is abroad, and the woman's revelation of a loaded gun hidden in her daughter Erin's bedroom leads to a shocking fatality when a police armed-response team breaks into her house. The fallout will have dark consequences for Banks and his partner, DI Annie Cabbot. It turns out that Erin's best friend is Banks' own daughter, Tracy . . . who was last seen in the company of the weapon's actual owner, a very bad boy indeed. Now that his child is on the run with a psychopath, Banks finds himself caught in a bloody tangle of betrayal and murder. But the rogue DCI is a bit of a bad boy himself, and he'll freely risk his life and career in the cause of love—and vengeance. Thrilling, harrowing, and utterly compelling, Bad Boy showcases Peter Robinson's masterful writing.

On a cliff edge overlooking the North Sea, a quadriplegic woman in a wheelchair stares unseeingly at the waves. She had been murdered. And, miles away, in a storeroom in the Maze, a medieval warren of yards and alleys at the heart of Eastvale, Yorkshire, a young woman lies sprawled on a heap of leather scraps. She too has been murdered. Their bodies are discovered at about the same time that DI Annie Cabbot, on secondment to the Eastern Area force, wakes with a severe hangover in the bed of a young man she barely recognizes. From these three strands, Peter Robinson weaves his latest complex and compelling story. While DCI Alan Banks tries to figure out how anyone was able to murder Hayley Daniels, when the closed-circuit cameras trained on the entrances to the Maze show that no one preceded or followed her into its shadows, Cabbot learns two things that make her blood run cold: the real intentions of her one-night stand and the true identity of the quadriplegic woman. A ghost from the past is back to haunt both her and Banks. Peter Robinson's Inspector Banks novels are among the best detective fiction in the world, and their multi-layered stories continue to surprise, engross, thrill, and delight readers. Friend of the Devil is a superb showcase of how deftly he balances horror with humour, police procedures with the nuances of all-too-human emotions, and endings with the promise of new starts. Once again, Robinson transcends the usual limits of the genre in this dazzling novel about the obsessive power of vengeance.

A baffling murder on a remote country lane puts Alan Banks and his team to the test in the detective's most intense and gripping case yet – from an author hailed by Louise Penny as “a writer at the top of his game.” With Detective Inspector Annie Cabbot investigating the young woman's death, newly promoted Detective Superintendent Banks finds himself taking on the coldest of cases: a fifty-year-old assault allegedly perpetrated by beloved celebrity Danny Caxton. Now Caxton stands accused at the center of a media storm, and it's Banks' job to discover the shocking truth. As more women step forward with accounts of Caxton's manipulation, Banks must piece together decades-old evidence – as the investigation leads him down the darkest of paths... Suspenseful, powerful, and surprising, When the Music's Over is the finest novel to date from one of the foremost suspense writers at work today.
