Trading: What's the Difference?

There are no guarantees when you invest in the stock market, and your money can go up as well as down in value. We can't tell you whether

investing is right for you,

Trading Stocks

Download Ebook Stock

but if you are going to do it, it's recommended you invest for at least five years. This is because the longer you invest for, the longer you have to ride out any bumps along the way.
