Sugarcane is a water-intensive crop that remains in the soil all year long. As one of the world's thirstiest crops, sugarcane has a significant impact on many environmentally sensitive regions, like the Mekong Delta and the Atlantic Forest. Historic planting of sugarcane around the world has led to significant impacts on biodiversity.

Euzhan Palcy's first feature is one of cinema's great coming-of-age tales. It follows José, an orphan living with his indomitable grandmother, M'Man Tine (Darling Légitimus). She works in the sugar cane fields, exploited by their white boss; adamant that José will avoid the same fate, she makes sacrifices to ensure he receives an education.
