I-NEWS TOP TEN DEBUTS NETGALLEY TOP FEBRUARY READS WRITER'S GUILD AWARDS NOMINEE 'A proper page-turner! Suspenseful, mysterious, spooky and witty - and great fun' Justin Myers, author of The Last Romeo 'Adventurous, magical, and very, very funny!' Emma Jane Unsworth, author of Animals Meet Frida: divorce lawyer, cynic and secret descendant of the immortal love god Eros. She's about to have a really bad day . . . When a handsome but clearly delusional man named Dan bursts into Frida's office and insists that she is fated to save the world, she has him ejected faster than you can say 'prenup'. But a creepy meeting, a demon or three and one attempted kidnapping later, Frida is beginning to face the inconvenient truth: Dan is in fact The Oracle, the gods of Greek mythology are real and Frida herself appears to be everyone's only hope. The world is doomed. Bridget Jones by way of Neil Gaiman, this uplifting and laugh-out-loud story will change the way you look at love - and humanity - for ever. WHAT READERS ARE SAYING ABOUT THE GODS OF LOVE: 'Smart, witty, and refreshingly - wilfully - free spirited. Mostyn's deft touch with dialogue and incident powers the story along. I loved it.' Netgalley reviewer 'I really enjoyed this magical adventure, some really fun ideas about mankind and the search for love. The references to classic mythology were nicely done and the whole thing works well.' Waterstones Bookseller 'One of my top reads for 2018, and I will look forward to more from Nicola Mostyn . . . I have found a new favourite author to add to my all-time favourites list!' Netgalley reviewer 'More fantasy than romance. More gods than love. Grabs you in the first chapter and doesn't let go for the next three hundred pages.' Waterstones reviewer 'A super-heroine story for the modern age' Amazon reviewer

The world is doomed. Bridget Jones by way of Neil Gaiman, this smart and quirky story will change the way you look at love forever

In ancient times, the Greeks created the gods and goddesses to represent the various personalities of human nature. In Gods and Goddesses in Love, Agapi Stassinopoulos tells the stories of the primary goddesses and gods, and how their myths can provide insight into your own romantic relationships. Included are two fun and fascinating quizzes: one for women to determine their own dominant personality type and which goddess she most embodies; and a second that will help every woman understand more about the "god" she is involved with, or searching for. In the book, the seven archetypal goddesses are portrayed in modern terms, highlighting not only each goddess's unique strengths but also the pitfalls or stumbling blocks she is likely to encounter in a relationship with her partner. Also included are interviews with real couples who reveal how they overcame obstacles to find true love. For anyone who desires the self-knowledge and empowerment to find their ideal other, Gods and Goddesses in Love is an uplifting, instructive, and enlightening guide for achieving greater fulfillment in love.

It is official. Gods and goddesses of love are now contemplating retirement. In a world filled with love, the gods have started feeling a sense of redundancy. But they are also happy that they can go into peaceful retirement and start practicing what they learned from the earthly goddesses and gods. The nine

short stories along with a series of improbable dreams deal with the psychology of love, romance, and amour. Revolving around complex relationships that exist between men and women, the stories encapsulate different moods—fantasies of a young woman and a young man, intimacy, misunderstandings and realizations, the crests and troughs of relationships, heart-touching emotions, and unconditional love.

He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. \*A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.\* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

Follow the footsteps of history Discover the path to the gods For the Love of the Gods tells the epic story of theurgy, from its roots in ancient Egypt to its modern day practice. The lives and passions of the early Pagan philosophers come alive in these pages, immersing you in the bustling cities and diverse cultures that spawned theurgy as we know it today. Theurgy is best understood when it is deeply experienced. The stories presented here re-create the experience of these ancient practices and show how they were passed down through generations of teachers and students of differing ethnicities, genders, and ages. It's commonly believed that ancient Pagan theurgy traditions were erased from the earth and replaced by monotheistic religions—but this is a myth. The way to the gods was never lost. For the Love of the Gods shares step-by-step instructions for theurgic rituals, so that you can create relationships with the gods and love them as the ancients did. Discover how to offer devotionals, create living statues, invoke into yourself and others, and achieve personal communion so that you, too, may dwell in the happy presence of the divine.

The late Leszek Kolakowski was one of the most influential philosophers of the twentieth century. A prominent anticommunist writer, Kolakowski was also a deeply humanistic thinker, and his meditations on society, religion, morality, and culture stand alongside his political writings as commentaries on intellectual—and everyday—life in the twentieth century. Kolakowski's extraordinary empathy, humor, and erudition are on full display in *Is God Happy?*, the first collection of his work to be published since his death in 2009. Accessible and wide ranging, these essays—many of them translated into English for the first time—testify to the remarkable scope of Kolakowski's work. From a provocative and deeply felt critique of Marxist ideology to the witty and self-effacing "In Praise of Unpunctuality" to a rigorous analysis of Erasmus' model of Christianity and the future of religion, these essays distill Kolakowski's lifelong engagement with the eternal problems of philosophy and some of the most vital questions of our age.

A god of desire on the edge of burnout meets a mortal woman with a unique and secret past. In the arms of transgender woman Gina, has Himeros finally discovered the one with whom even an immortal could find fulfillment? Gina is forced to confront her fears when she attends a high school reunion. Born into a male body, she spent her childhood and teens living as a boy, and has only returned in an effort to put the past behind her so she can begin to live life without the continuing fear of loneliness and rejection. Himeros is one of the immortal gods of love, and as such it is his duty to answer the call of desire whenever a human needs him. But he has been living among mortals too long and his energy has waned. When he decides to accept one last call he finds a woman who is unique. A woman who answers his own call and offers everything he desires. A woman who understands the whole human experience, from every perspective. Has he finally found the one with whom even a god of desire could find happiness? Forever, after all, is such a long time to be alone. Want to read this one first in the series? Go ahead! Each of the GODS OF LOVE novellas is stand-alone with a common theme featuring the winged gods of desire known as the erotes.

every story whispers his name... It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne—everything—to rescue the one he loves. It's like the most wonderful of fairy tales that has come true in real life! You see, the best thing about this Story is—it's true. And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars and mountains and the oceans and galaxies and everything were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began ... —from *The Story of God's Love for You* (originally published as *The Jesus Storybook Bible*)
