Toilet Paper Entrepreneur, A Book Review - Small Business ...

After 'The Toilet Paper Entrepreneur' had seemed to catch on, I realised that a lot of people had been inspired to start businesses, but that their small businesses got quickly stuck in a trap. It seems that the only way to more make money is to keep working harder and harder, but the business stagnates and stops growing. 'The Pumpkin Plan' is about breaking out of that trap ...

"The Toilet Paper Entrepreneur is a must-read for aspiring AND established entrepreneurs. First, it is written by a successful serial entrepreneur who has built multi-million dollar businesses and walked the talk. Second, Michael is not afraid to call it like he sees it, whether or not it offends others. Unfortunately, both of these qualities are lacking in most entrepreneurship books."
